Programme Board Master degree in Informatics P.O. Box 1080 Blindern 0316 Oslo

# Application for study plan agreement for the master programme

This agreement is an agreement between student, supervisor(s) and Programme Board concerning mutual rights and duties regarding the completion and curriculum of the master degree.

The form must be filled in co-operation with supervisor(s) (or contact person) and submitted to the Programme Board in the first semester for approval. Deadline **December 1.** 

Note: If you have any changes to a study plan which has been accepted, you must fill out a different form.

#### 1. PERSONAL INFORMATION

Surname, Forename: Tveito, L	Identity number (11 digits):	2	0	0	8	9	0	3	6	5	5
Telephone number: 92683755	E-mail address: larstvei@ifi.uio.no										
I'm a student at the master programme in Informatics: Programming and Networks or Network and System Administration:											

2. MIASTER THESIS	3				
A brief description of the thesis, scope, problematic issues, provisional title, methods that it is intended to apply and a progress plan showing important stages shall be enclosed with the application on a separate sheet.					
State type of thesis:	Long thesis (60 ECTS) ☑	Short thesis (30	ECTS): □		
All master students must write and hand in an essay to their supervisor, the essay must be approved. The essay is usually written in the second semester.					
Will the thesis be part of a work done by more than one student? (If Yes, you must Yes: No:					
enclose an agreement you.)	on this cooperation stating how the	e work will be divided between		X	

# **CURRICULUM**

### 3. THEORETICAL CURRICULUM

course code and title:	ECTS:
INF4130	10
INF4820	10
INF5780	10
INF5140	10
INF5510	10
INF5750/INF4140	10

## 4. OTHER THEORETICAL CURRICULUM (courses that are not from natural sciences and/or course in methodics)

- 20
ECTS:

## 5. REMAINING COURSES FOR ADMISSION TO THE MASTER PROGRAMME

courses that remain for the completion of a bachelor degree, and any courses that remain from the scientific basis for the master degree's admission	ECTS:

## TIME SCHEDULE FOR CURRICULUM

#### 6. PROGRESS PLAN - Specify for each semester

Remaining courses from the bachelor degree, uncompleted scientific requirements for the master degree admission, curriculum for the master must be included here. The number of ECTS is to be specified for each element. A full time study consits of 30 ECTS. Any deviation from this must be approved by the programme board.

Year/semester	CTS. Any deviation from this must be approved by the programme board.	ECTS:
(chronologically):	INF4130, INF4820, INF5780	30
H2014		
	INF5140, INF5510, master(10)	30
V2015		
	INF5750 or INF4140, master(20)	30
H2015	1141 37 30 01 1141 4 140, 111aster(20)	
V2016	master	30
V2010		
Planned submission d	ate (month and year) for the Master's Degree thesis:	1/05/2016
